-The Pocahontas Herald, our new neighbor of Huntersville makes its first appearance this week.

-Several times in the last few * days there has been occasion to disparage phenomenal shots at snakes, made by various marksmen A great many people here carry guns, and a few, pistols. Snakes have been numerous the past hot weather, and it became tolerbly common to hear a man say that he had shot a snake's head off. Now the truth of the matter is that the snokes committed suicide, for if a ball passes uear him he will strike at it and be killed. The motion of a snake's head, as of the conjurer's hand, is quicker than signt.

-Capt. Albert Gauther was the hero of a runaway last Saturday night. He was at Green Bank and as Sitlington's Creek at Danmore was rising rapidly, he started to Dunmore, driving his famous black horse. The horse became frighten ed at a pig and started to run, and his driver held him in until he was atraid of breaking bis jaw and thus disabling the fine horse. Mr. Mike King, who was in the buggy, jumped from the vehicle and was saved unharmed. Cant. Gunther was finally thrown from his seat and fell. on his head making a bad wound on the side of his face and render ipg him auconscious The horse ran about a mile and found stand. ing quietly with the buggy undam-" aged.
